## Close-up Magic with a Difference

**Peter Mehtab won The Magic Circle's prestigious award for the Top Close-up Magician** - A just reward for Peter's sheer dedication towards his profession.

Peter Mehtab won yet another prestigious award held at the **world's most exclusive club The Magic Circle** and became the Top Table Magician.

Peter's inimitable style has now enabled him to merge into the world of Society balls and private dinner parties. His full diary makes him the envy of fellow magicians and he has a long and varied list of venues to his credit including The Hilton, The Ritz, The Grosvenor, Park Lane, The Mayfair, The International, The Dorchester, The Hurlingham Club, Hatfield House, Ripley Castle and The famous Orient Express.

Peter Mehtab was booked by **Sir Richard Branson** to perform to some of his top clients in the United States of America. Peter was also chosen to perform for **Sting and Trudie Styler** at the 'show business wedding of the year'. Peter was booked to perform in **Lausanne, Switzerland**, for a private party; and was immediately **rebooked**. Peter was the selected wizard to perform at the recent Harry Potter film Premiere – Peter also performs regularly in Cannes & Monaco in the South of France.

**Central Television** approached Peter to produce a programme about his unique style and performance. The Programme '**Take 15**' was recently shown on **National Television**, shot on board **the famous Orient Express Train**.

Peter Mehtab was booked to entertain at **HRH Prince Charles 50<sup>th</sup> Birthday Celebration** and has also performed at two other Royal events. Peter also performed at the Private Golden Jubilee celebrations held at the Ritz Hotel for **Her Majesty Queen Elizabeth II** on two occasions.

Peter Mehtab has recently been promoted within The Magic Circle to **Full Member of The Inner Magic Circle with Gold Star**; this is the highest level within The Magic Circle.

Peter Mehtab was especially chosen to appear in the latest **James Bond** movie '**The World is not Enough**' where he appears in a scene with **Pierce Brosnan, Robbie Coltrane and Sophie Marceau**.

Peter was also booked recently to perform at the **Jane Seymour MBE** party and has also performed privately for actor **Tom Cruise**.

Peter is booked for many business conventions, product launches and corporate entertainment events. Recent clients include Barclaycard, The Bank of England and B M W. He has recently made an entry into filming, performing a range of tricks for '**in house**' training videos.

To watch Peter Mehtab perform is to be subjected to a dazzling display of bewilderingly clever and novel close-up magic and illusion. To witness the **sudden appearance of goldfish in your brandy glass** can lead to profound intellectual frustration - perhaps even a sense of awe - perhaps even a desire to throttle this young man who so casually defies the laws of nature.

What makes Peter's performance unique is that his magic is matched both by his stylish presentation and his lively wit.

The net result leaves one elated, puzzled but **marvellously entertained** - Peter Mehtab is a master of his art.

Mr Peter H.S. Mehtab

Dear Peter,

Well what can I say? Thanks to you, my job is secured for life. Who knows, I might even be promoted to MD of Cartier, the evening was such a success!

Thank you so much for making our evening at Brocket Hall so magical. You really were a huge piece of the icing on the cake and your magic was greatly admired by everyone who attended the event.

Everyone was desperate to know how I had discovered you – I told them that you are my secret and that I can only divulge your details for a fee! Only joking, we are doing some great PR for you here in Bond Street and hope to be handsomely rewarded!

You really did make my first important event at Cartier a huge success and for that I am really grateful. We will definitely work with you again very soon, in the meantime come and see us at Cartier whenever you are in the area and entertain us by making some watches disappear!

Best Wishes

I wanted to thank you so much for your wonderful work last night at The Golden Jubilee Rout. As I am sure you know the evening was a wonderful success and fun was had by all who attended. Most importantly The Queen enjoyed herself immensely which was proved by her not leaving until after midnight.

Your enormous talent contributed immensely to the success of the evening and it really was very kind of you to give your own contribution to The Queen's Golden Jubilee Year.

I hope you enjoyed the party and found it beneficial and I do hope that we can work together again soon.

Yours sincerely

Lady Elizabeth Anson
